

## Membership Application

I accept the Casey-Cardinia Referral Network Membership Rules:

Members deal honestly with other members and their referrals.

Members endeavour to provide quality referral to other members at every meeting.

Members support the ethical standards of their respective professions.

Only one person from a business category may be a member. In case of a dispute the view of the sitting member prevails and the decision of the Leadership Team is final.

Members refrain from promoting areas of their business which may conflict with another member.

Members are expected to attend all meetings, arrive on time and stay for the entire meeting. A member who misses 3 meetings in any given quarter (for whatever reason) will be deemed resigned and their category open.

Membership dues are \$50 per quarter. Invoices are issued by the Treasurer and paid promptly. Dues and advance breakfast payments are non-refundable.

The Network's Leadership Team consists of President, Treasurer and Secretary. The Leadership Team may discipline members in regards to this Code of Ethics, including membership termination.

Prospective members are required to attend at least one meeting before applying for membership.

Yes, I accept
